

Turner School Cottage

One mile from the Blue Ridge Parkway and a short drive from various entertainments. A reconditioned, once upon a time, one-room school house, the original dwelling was constructed in 1914 and housed approximately twenty students.

Comfortably sleeps four. A new walk-out deck provides a quiet, serene haven. A perfect setting for a honeymoon, retreat for two to four people, or simply a nice, quiet getaway for a single individual. It is exactly one mile off the Blue Ridge Parkway in Fancy Gap.

Breathtaking views are within a five minute walking distance in all directions. Experience renewal while enjoying God's amazing creation!

Experience country tranquility in the charm and simplicity of a magically historical dwelling.

*"The heavens declare the glory of God; and the firmament sheweth His handwork."
--Psalms 19:1*
